

# Finding the US Federal Censuses on Ancestry.com

How Do I find a US Federal Census?

On the Ancestry.com homepage find the *Search* tab along the top bar.

Toggle down to *Census & Voter Lists*.

Look on the right side of your screen and click *U.S. Federal Census Collection*.

## Narrow by Category

- [U.S. Federal Census Collection](#)
- [U.K. Census Collection](#)
- [Canadian Census Collection, 1851-1916](#)
- [1700s Censuses](#)
- [1800s Censuses](#)
- [1900s Censuses](#)

First choose a specific census year.

Then enter the search information.
